## PROFESSIONAL EXPERIENCE

### **Tecno\_Sphere, Internee**

01/2024 – present | Gujranwala, Pakistan

During my **4-month** internship as a Front-end Developer at **Tecno Sphere**, I focused on refining my skills in crafting responsive user interfaces using **HTML, CSS, and JavaScript**. Collaborating closely with design and development teams, I gained hands-on experience in implementing various website features and ensuring seamless integration and functionality. Additionally, I worked on optimizing website performance and ensuring cross-browser compatibility. This internship provided me with valuable insights into Agile development methodologies, fostering a collaborative and dynamic work environment.
